

Partners in Pollution Prevention Business Statement of Interest

Use this form to outline your proposed P3 intern project. The P3 staff can work with you to help develop a pollution prevention project that fits within our program's requirements.

Company _____ Contact _____
Address _____ Phone Number _____
_____ Fax Number _____
City/State/Zip _____ E-mail Address _____

1) Describe the details of a possible project and its goals: _____

2) Describe the waste(s) and/or emissions generated that are relevant to the proposed project:

- What is the material? How much is generated?
- Is it hazardous? Why? How is it currently managed?
- How much does it cost to dispose of?

3) Why is this project important to your company?

4) Do you have any other information about the proposed project, your organization, or program ideas?

5) Do you have any questions?
